

Student Locker

Model# 19155

The Student Locker is a secure solution for classroom organization. The Locker's 18 gauge steel construction along with a combo lock, provides secure storage for laptops, books or whatever else today's student may have on hand in the classroom.

The Locker is available in both left and right door models. The unit comes equipped with (1) combo lock, (6) screws, (4) adjustable clips and (1) adjustable 1" thick shelf (sized for most laptops).

The Locker also features a grommet hole on the base which allows for a powercord to exit out the bottom of the unit.

Model# 78099E _ _ _ / _ _ _

A top is available for the Student Locker, when used as a Stand Alone Unit. The Part Number for the Student Locker top is 78099E
