Assembly Instructions

Step 1: Place the table top on a smooth, clean surface with the bottom facing up.

Step 2: Assemble the panel with the legs using the supplied connector bolts. DO NOT TIGHTEN, LEAVE FINGER TIGHT.

Step 3: Align the assembled frame with the pilot holes on the top. Loosely attach the frame assembly to the top using the supplied #10 wood screws.

Step 4: Go back and tighten the frame assembly. Once complete, tighten the wood screw to the top.

Step 5: Using the supplied wood screws, attach the wire basket to the top. Adjust the leg height using the supplied allen wrench. With the help of another person, carefully turn the unit over and set it on its legs; unit is now ready for use.
