

# MODEL #XL03xx\_P\_ UXL Adjustable Chair

## DESIGN:

The UXL Adjustable Chair can be used to complete a teacher's suite or complement other furnishings in the UXL line. Customizing the chair height allows the user to adapt to the furniture around them, and the optional casters allow for easy mobility. is a very comfortable chair. It's a great option use in computer labs, art rooms and offices.

## MATERIALS:

The Chair Frame is 0.59" x 1.18" x 0.078" thick oval shaped steel tube and 3mm thick steel plate x 2mm thick rounds teel tube fully welded with a powdercoat paint finish. The seat is made of 100% virgin polypropylene material with high impact strength. The backrest is supported with a metal bar insert that provides very strong support. The swivel/vertical pneumatic height adjustment mechanism allows the seat to be raised and spin, but no tilting action. The casters a durable nylon 50mm diameter. Glides available. The 5-star base is 28" in diameter. Seat available in both polypropylene or fabric option is also available for UXL chairs only!
