FLEX STUDENT DESKS

Flex Single-Student Desk, Model 01360 shown in Grey Mesh laminate, Apple bumper edge and Platinum frame with Flavors Stack Chair Model 11849 in Apple.

OVERVIEW

It takes less flexing to get in and out of a spacious, stable Flex Student Desk. Its design moves the support away from the corners so the student has more knee room for easier in-gress/egress, saving time whenever she/he stands up or sits down. Choose from 10 laminate colors and 20 edge colors.

- Patented backpack peg keeps student items organized, can be positioned inside or outside of either leg.
- Adjustable desk height from 24"-32" in 1" increments.
- Durable desktop available in 1 ¼" or ¾" thickness, all with a high pressure laminated surface.
- Lockable endcap/glide combination that resists tampering.
- Rugged powder coat surface on legs resists wear.
