INTUIT SEATING

OVERVIEW

Its comfortable bucket seat design provides great support for the back and shoulders while comfortably orienting the student toward the front. Subtle flex in the Intuit Chair's back provides some movement for the student, but movement to the sides and back is limited. Available in four sizes, 18 colors. Durable frame in Black, Champagne or Platinum. Stacks 5-6 chairs high.

- No sharp edges around handle.
- The light texture on the chair surface resists scratching.
- Mig-welded 16-gauge steel frame.
- Swivel chrome plated glides come with nylon base. Or choose optional steel or felt glides.
- The shell rests on the frame, not on rivets.
- 3 sizes of shells available: 'A+' on 19" seat height; 'A' on 18" seat height and 'B' on 16" and 14" seat height.
