

## ELEMENTAL Open Front Desk Model# 01475, 01476, 01477

The Elemental open front desk is the first of its kind; light, adaptable and versatile.

### Material

Your choice of **work surface**: (1) (2) or (3)  
**(1) a rectangular laminated top** - 20" x 27" X 3/4", 11.2lb, particle board core with a .030 high-pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features bumper edge that is fastened every 8 inches to ensure a long lasting fit.

**(2) a wave top** a more ergonomic version of option 1 is curved at the front, back, and sides.

**(3) a hard plastic top** molded under high pressure from the thermosetting melamine resin. Has a smooth surface which resists scratching, gouging and staining and is non-burning. Meets California firecode CAL TB 133.

The **support frame with integral bookbox** made of polypropylene, making it very light (4lbs), with color throughout and a distinct texture. The frame is fastened to the top and completely positions and secures the adjustable legs. The inside of the bookbox is spacious having inside dimensions of 14.5" deep, 20" wide, and 4" high. The pencil trough at the front is a generous width at 1.4 inches.

The **adjustable legs** are 1-3/16" in diameter made from 18 GA steel and allows the desk to adjust from 23-32" in height. Each leg has a 1 inch leveling glide. These legs are installer-friendly, requiring no drill or fasteners to attach them to the frame. The Elemental manages to give you maximum storage space in a very compact footprint. The Elemental rewards you with simplicity, durability, and its aesthetic appeal.

Elemental open front desk can complement our Intuit seating.
