

## ARC 8 FILLER TABLE

### Model No. XL48FT

This unique table can be utilized alone or in a pair nested around our I-O Post #17090. It also provides additional work space when used as a filler for our Arc-8 desks #01351.

## Material

The 3/4" thick *work surface* consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the work surface features 3/4" bumper edge molding that is mechanically fastened to the underside of the work surface every 6" - 8" to assure a long lasting fit. The *aluminum frame* is attached to the top with #10 x 5/8" screws. The legs then fasten into the frame with two bolts at each corner.

Designators	Description
