

solid steel bookbox

model #: 17015

Huddle-6 Student Desk, Model 01265. Shown with optional Steel Bookbox, Model #17015

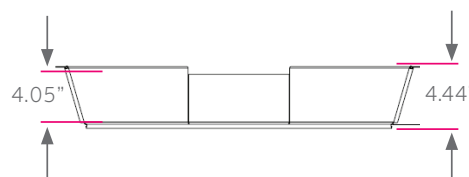

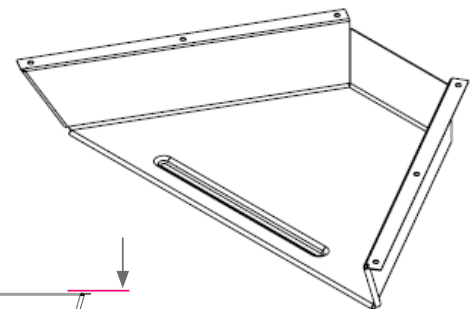

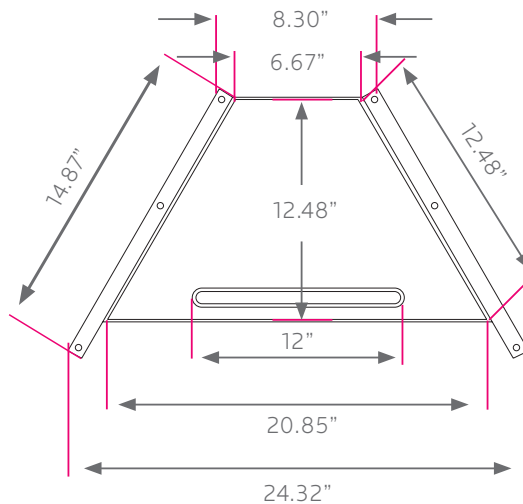

OVERVIEW:

The Smith System solid steel bookbox is an easy way to add storage space for books, supplies, even laptops, to many student desks. The bookbox is available in a durable black or platinum powder coat paint finish.

All welded **18-gauge steel** construction provides sturdy support for books and supplies under the work surface. The solid steel box attaches with 4 screws on the underside of applicable Smith System™ student desks.
