

assembly instructions

uxl open-front desks

ADDITIONAL TOOLS NEEDED:

PHILLIPS SCREWDRIVER

TOOLS, HARDWARE & COMPONENTS:

- A. uxl work surface (laminated top)
- B. open front bookbox frame
- C. wood screws (fasten top to frame)
- D. M6 x 20mm nyloc bolts (fasten legs to frame)
(2 per leg)
- E. uxl leg set

*legs with casters come with 13mm wrench for securing casters (casters packed with legset).

- check that all components are accounted for and undamaged before assembly.
- assemble product in a clean, dry area; if cleaning is necessary, use a mild cleaner and damp cloth.
- for larger units, a second person is recommended for assistance in the assembly process.

1. begin by placing the bookbox frame upside down.
2. place the threaded holes of the first uxl leg against the frame's leg bracket.

3. using a phillips head screwdriver, insert (x2) M6 x 20mm nyloc bolts into each leg - tighten bolts.

6. follow steps 4-5 with remaining legs on your desk until all are installed.

7. place your assembled frame (bookbox & leg set) onto the laminated work surface - lining up the pre-drilled holes with the holes in the bookbox frame.

8. insert included wood screws into pre-drilled holes in the laminated top & fasten with a phillips head screwdriver or power drill (set to low torque setting)

8b. for UXL tables / desks with casters - see page 2.

assembly instructions

uxl tables (caster installation)

UXL LEG SETS WITH CASTERS

- A. uxl leg set with casters
- B. uxl caster wrench (13mm)
- C. uxl leg set caster pack

A. B.

C.

*legs with casters come with 13mm wrench for securing casters (casters packed with legset).

- check that all components are accounted for and undamaged before assembly.
- assemble product in a clean, dry area; if cleaning is necessary, use a mild cleaner and damp cloth.
- for larger units, a second person is recommended for assistance in the assembly process.

1. insert caster into threaded hole on bottom of each leg - proceed to hand tighten the nut.

2. with the nut hand-tight, use the supplied 13mm wrench to fasten & secure the caster in place.

Continue the same assembly process with remaining uxl legs on your table or desk(s).

3. flip your table right-side-up (*with the help of an assistant*) and your table is ready for use.
