

Projector Lectern Quick Installation Guide Model 04620

Instructions

Step 1 Flip the large cabinet over so that the Lectern top is sitting on the floor. Attach the four plate casters using the supplied machine screws, making sure that the two locking casters are on the front of the unit. Then carefully turn unit over and set on the casters.

Step 2 Place provided mat on top of cabinet

Step 3 Turn the lectern back over. Refer to the separate assembly instructions included with the 04619 lectern. Place the 04619 lectern on top of
