OVERVIEW:

Fully welded Smith System™ Bookcases are built to last. Strong steel exterior featuring double wall side panels for extra strength and toughness.

The Bookcase comes fully welded in 20 gauge steel. Their slotted inside walls allow shelves to be adjusted in 1" increments with easy-to-use clips. The shelves are made of 32 3/4" x 12 3/8" 20-gauge steel with a 'C' bracket for added strength. The units are protected with a durable powder coat finish, in black or platinum.

The unit comes with 3 adjustable shelves.
