OVERVIEW:

File / File drawer. Key gang lock. Mobile pedestal is easy to maneuver. Doubles as a projector stand and can hold a table top lectern for student use.

MATERIALS:

The body of the cabinet is all welded 20-gauge steel construction. Includes four-wheel rail system for each drawer. File Drawers have integrated rails for standard hanging file folders. Drawers are secured using a gang locking system.

Each mobile pedestal comes with *both adjustable glides as well as casters with brakes*. Also a 5th wheel is included to prevent the drawer from tilting when fully extended when using the caster option. End User has option to install either the casters or the glides - the pedestal will come with both options. Each unit comes with a long-lasting and durable powder coat finish.
