

husky activity table - leg options

model #: 17771, 17770

husky activity table leg options

DIMENSIONS + FREIGHT:

MODEL #	H"	F.C.	CUBE	WEIGHT
17771	21"-30"	70	0.6	16 lbs.
17770	15"-24"	70	0.5	10 lbs.

OVERVIEW:

With their adjustable-height work surface and specially designed glides, Husky Activity Tables are ideal for elementary and high school environments.

Legs available in a choice of two height ranges:

- 21"-30"
- 15"-24"

The chrome plated **LOWER LEG** is made out of a 13-gauge 1 1/2" diameter tube to resist scuffing and is complimented by a durable nylon cap matching the powder coat finish. The telescoping tube leg adjusts in 1" increments. The glide is a sock type that slides over the outside of the leg. This glide is made of glass-filled nylon that assures durability. The glide resists rust, stains, and scratches.
