|---------|-----|-----|-----------|------|------|----------|
| 11167 | 30" | 48" | 22" - 32" | 70 | 11.0 | 128 lbs. |

OVERVIEW:

The Planner Access is a truly stronger student desk. Shipped ready to assemble, these desks have a heavy-duty work surface that won't sag under heavy books or equipment. Plus convenient wire management with a lockable access door!

The 1 1/4" thick **WORK SURFACE** consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features 3/8" bumper edge molding that is fastened every 6 to 8 inches to assure a long lasting fit. The top has one or two arch shaped cutouts in the rear and is pre-drilled for ease of installation.

The **FRAME** is attached to the pre-drilled holes in the top with (12) #10 x 5/8" screws through a 3 1/8" W x 18" L 14-gauge steel mounting plate. The mounting plate is welded to (2) 1 1/4" square 14-gauge steel tube legs which are welded to a 1" square 14-gauge steel tube cross bar. The leg inserts are 1" square 14-gauge steel tube and adjust in height from 22" to 32" in 1" increments. The adjustment for each leg is secured with (2) 3 3/4"-16 x .675" Allen screws. The legs are tied together for added strength with a 6" high 18-gauge steel panel and (4) connector bolts. Legs have 1" adjustable leveling glides. The **WIRE MANAGEMENT ACCESS** comes with a key locking a fully welded wire manager that is 5 3/8" x 6". The manager has grommet holes in the end to allow for wires to be run from station to station with no exposed wiring. Access slots in the front allow easy CPU cable routing into the manager.
