**OVERVIEW:**

The Cascade Teacher Desk offers a stable, mobile and versatile workspace with integrated wireway and modesty panel plus the unique capabilities of Cascade storage. It offers a scalable solution for organization, storage and distribution of learning materials.

The 1 1/4" thick **WORK SURFACE** consists of a 45 lb. density particle board core with a .030" high-pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features a bumper edge molding (choices listed below) that is mechanically fastened every 6 to 8 inches to assure a long lasting fit.

The **PEDESTAL** is constructed of fully welded 20 gauge steel components and comes standard with 3" plate casters. Each plate caster takes 4 machine screws to fasten to the ped. Both tote pedestals are configured with (6) 3" translucent totes, (totaling 12 3" totes), and a lockable door for security. The modesty panel is mechanically fastened to the pedestals and to the laminated top.
