

# dual surface, bolt on lectern

model #: 00471

*dual surface lectern, with bolt-on attachment*

**DIMENSIONS & FREIGHT:**

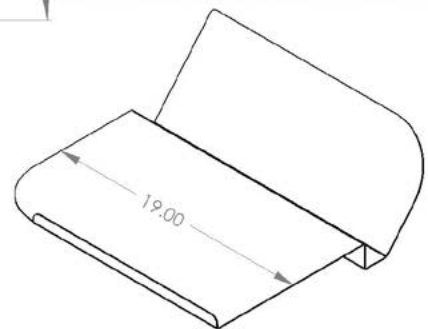

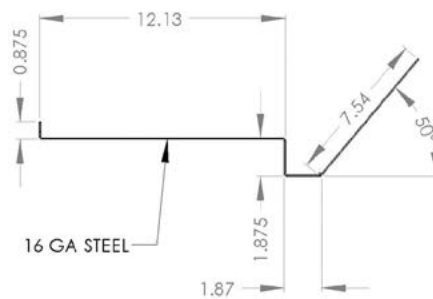

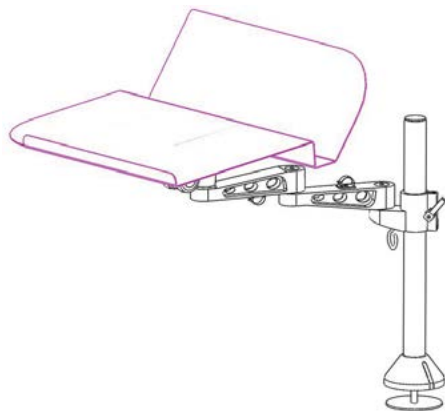

MODEL #	D"	W"	H"	F.C.	WEIGHT
00471	19"	19"	6"	70	22 lbs.

**OVERVIEW:**

The Dual Surface Lectern Model #00471, can be attached to any of our tops using the easy bolt-on design for a permanent fit. With the bolt-on model, the Lectern can also be attached to a Cascade Cabinet. The Lectern is easily adjusted in height and is fully versatile in it's range of motion - a full 360° of motion with the fully actuating arm. The Dual Surface's of the lectern allow for easy access to any (2) items at once, i.e. a laptop computer on the lower shelf and a notebook on the upper shelf (as pictured) or any number of other combinations. The Dual Surface lectern has 16-gauge steel construction along with a reinforcement brace. Another key feature is the integrated pencil retainer.

**COMPATIBILITY:**

Compatible with booktruck & cascade riser shelf tops and a wide variety of Smith System desks and tables.
