carton	20"	23"	46"			

OVERVIEW:

Create half circle and other curved lounge areas with the Chat Wedge Table. The 60° wedge table fits between two Chat Chairs creating a curved seating space. Three Chat Chairs and two 60° wedge tables create a 120° curved social learning environment. While four Chat Chairs and three wedge tables create a 180° half circle. You can also create 'S' style shapes as well. The 60° wedge table allows for inviting lounge space in large commons areas, libraries, open hall areas and entry space. Wedge tables can compliment the Chat Chair with various laminate and edge color choices. Pair with Chat Planner Tables for an entire Lounge space.

MATERIALS:

The **WORK SURFACE** consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" backer sheet. The edge of the work surface features T-mold that is stapled to the underside of the work surface every 6"-8". The pre-drilled top is standard at 1 1/4" thick and available in 3/4" thick option. The **FRAME** consists of two fully welded 16 gauge steel segments available in Platinum powdercoat paint finish for durability.

The **POWER DOME** is UL listed and CSA certified with two 10ft 15 Amp power cords and four power outlets. The unit is installed in the 3" diameter cut-out located on the back side of the Chat Wedge top.
