

## INTUIT SEATING

### OVERVIEW

Its comfortable bucket seat design provides great support for the back and shoulders while comfortably orienting the student toward the front. Subtle flex in the Intuit Chair's back provides some movement for the student, but movement to the sides and back is limited. Stacks 5-6 chairs high. Available in four sizes, 18 colors, frame in Black or Platinum.

- No sharp edges around handle.
- The light texture on the chair surface resists scratching.
- Mig-welded 16-gauge steel frame.
- Swivel chrome plated glides come with nylon base. Or choose optional steel or felt glides.
