20" deep Flex Desk Model 01360
Shown in Grey Mesh top with Apple edge and Platinum frame. Shown with optional Flavors Chair, Model 11849 and optional EW Tote Tray, Model 30926.
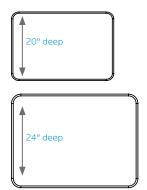

FLEXLINE™ STUDENT DESKS
Single-Student and Two-Student desks.

OVERVIEW

Designed with durability in mind for high-traffic classrooms.

It takes less flexing to get in and out of a spacious, stable Flex Student Desk. Its design moves the support away from the corners so the student has more knee room for easier ingress/egress, saving time whenever she/he stands up or sits down. Choose from 11 standard laminate colors, 21 standard edge colors and two frame colors.

- Patented backpack peg keeps student items organized. Can be positioned inside or outside of either leg. "Y" Leg shape allows easy ingress and egress for students.
- Adjustable desk height, from 24"-32" in 1" increments. Only two (not four) legs to adjust.

- Durable desktop available in 1 $1/4$" or $3/4$" thickness, all with a high-pressure laminate surface.
- Edge moldings resist wear, choices available (see chart).
- Rugged powder coat surface on legs resists wear.
- Lockable endcap/glide combination that resists tampering.
