

cafe meeting tables - circular base

model #: 01501-01507 (tops)
& 01450-01547 (bases)

cafe meeting tables

DIMENSIONS + FREIGHT:

OVERVIEW:

Our café table bases are an ideal and modern approach to library or cafeteria seating. Café table bases come in multiple shapes and sizes (see chart). From 16" coffee table height to 42" standing height.

MATERIALS:

The 1 1/4" thick work surface consists of a 45 lb. density particle board core with a .030" high-pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features 3/8" bumper edge molding that is mechanically fastened every 6 to 8 inches to assure a long lasting fit. The top is pre-drilled for ease of installation.

The Café table base is constructed of 18 gauge steel tubes and cast iron, Black or Platinum powder coat finish. The base includes non-marring, adjustable black leveling glides. The column attaches securely to the base with a heavy hex bolt and lockwasher, for a simple, one-step installation.
