

silhouette sequence

adjustable height w/ glide

model #: 01655

DIMENSIONS + FREIGHT:

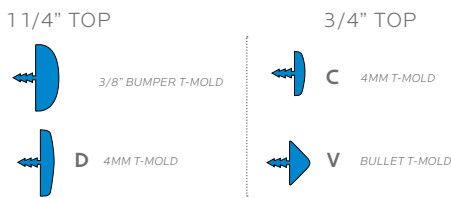

MODEL #	D"	W"	H"	F.C.	CUBE	WEIGHT
01655	23"	31"	19"-31"	70	1.2	36 lbs.
carton	24"	34"	7"			

OVERVIEW:

Shipped ready to assemble, these desks have a heavy-duty work surface that won't sag under heavy books or equipment. The Silhouette Sequence Desk is great for rows, pairs, or collaborative pods for learning in groups.

The **WORK SURFACE** consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features 3/8" bumper edge molding that is fastened every 6 to 8 inches to assure a long lasting fit. The frame is attached to the pre-drilled holes in the top with (6) #10 screws through a 1" x 1.75" 18-gauge steel channel. The mounting channel is welded to a 1" x 2" rectangular 16-gauge steel tube leg. The leg inserts are 1" x 1.75" 16-gauge steel tube and are **adjustable in height** from 19" to 31". Model 01655 comes standard with a lockable endcap/**glide** combination. The legs are tied together for added strength with a 1" x 2" 16-gauge steel tube stretcher bar and (4) bolts.
