MODELS: 17576  
 17577 \_\_\_  
 17578 \_\_\_  
 17599 \_\_\_

**OVERVIEW:**

Elemental tables have optional colored casters and matching colored leg sets. The unique full-color leg comes in three options fixed height, adjustable height and adjustable height for use with casters.

When using a caster pack on Elemental Activity Tables, we recommend using our 'EC' Fixed-Height leg set, which when paired with our 3" casters makes the table height 30".

When ordering a caster pack with your Elemental Activity Table, be sure to pair the correct Model Number. 4-packs pair with 4-leg tables, 5-packs pair with 5 leg tables and of course 6-packs pair with 6-leg tables. See table below.
