Flat Round Surface Power Modules

MODEL#: 017097, 017098

Model # Shown: 017098

OVERVIEW

These power modules are designed to mount into the work surface of a desk or table and feature USB and power supply for powering up devices of all kinds. #017097 features 2 power outlets, while #017098 features 1 power outlet and 2 USB outlets.

MATERIALS

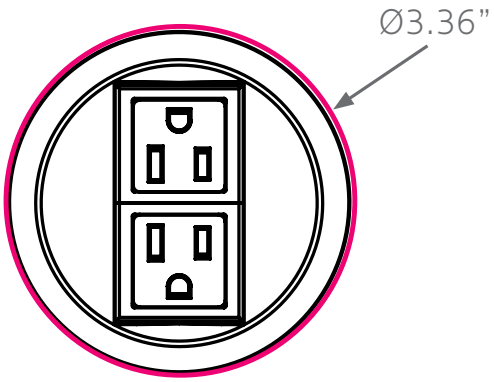

The power module features water-proof simplex outlets and can be mounted parallel to any work surface. The unit is UL listed with a standard 10 ft. 15 Amp power cord. The USB-A charging ports share a total of 1000 mA per pair, which allows charging of cell phones, tablets, e-readers, audio players and other devices that can be charged by USB. The power module is installed in a 3" diameter cutout in the work surface. The unit is constructed of durable plastic, fits in both 3/4" and 1 1/4" thick tops.
