

Flavors®

Cantilever Chair

MODEL#: 11879

OVERVIEW

Comfortable seat helps students keep proper posture and provides support for back and legs. Flat seat pan with waterfall front edge. Chair shell comes in 18 colors and frame in Chrome or Platinum.

MATERIALS

The SHELL is 100% virgin polypropylene material with a shallow seat pan allowing four-position seating for infinite seating styles. The back supplies rigid support while being specifically designed with added flexibility that adapts to individual requirements and supplies long lasting comfort. The shell includes an integrated handle molded in for easy movement of the chair.

The FRAME is constructed of strong 1" x 14-gauge double walled tubing that is chrome plated for long lasting, durable finish is capped off with our resilient nylon base swivel glides (felt also available). The shell is attached to 16-gauge brackets via a metal to metal steel riveted connection and includes an integrated handle molded in for easy pick-up and moving of the chair.
