Accessories
Technology Basket
MODEL#: 17018

OVERVIEW
The Smith System Technology Basket is a quick and easy storage add-on for Tablet's, Laptops and other small to medium sized electronics. Can also be utilized as a book or paper storage basket.

MATERIALS
The all welded 10-gauge steel wire construction is the backbone of this durable under surface basket. Being only 10.35" wide, 13.16" deep and 2" tall, this unit is easily mounted beneath many Smith System Desks. The unit mounts underneath the work surface via four (4) wood screws through four (4) welded tabs attached to the basket.

COMPATIBILITY
The Smith System under surface technology basket attaches securely to the underside of many Smith System desks.

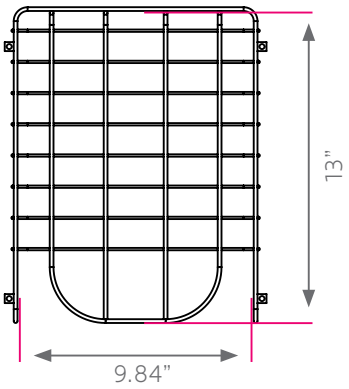

The basket comes with 2 sets of screws and spacers for installation. The extended length screws are used for Interchange and other tables with a structural framing support underneath.
