

Shown mounted to desk model 01650.

OVERVIEW

The Smith System solid steel bookbox is an easy way to add storage space for books, supplies, even laptops, to many student desks. The bookbox is available in a durable black or platinum powder coat paint finish.

MATERIALS

All welded 20-gauge steel construction provides sturdy support for books and supplies under the work surface. The solid steel box attaches with 4 screws on the underside of applicable Smith System student desks.

BOOKBOX COMPATABILITY

PLANNER® STUDENT DESKS * DOES NOT FIT HUDDLE DESKS
SILHOUETTE® STUDENT DESKS
