

Shown mounted to desk model 01600.

OVERVIEW

The Smith System Wire Book Basket is an easy way to add storage space for books, supplies, even laptops, to almost any desk. The basket comes in a durable Black powder coat paint finish.

MATERIALS

The all welded 10-gauge steel wire construction is the backbone of this durable under surface basket. Being only 18" wide, 15" deep and 3.5" tall, this unit is easily mounted beneath many Smith System Desks. The unit mounts underneath the work surface via seven (7) wood screws through seven (7) welded tabs attached to the basket.
