

OVERVIEW

Elemental tables have optional color casters and matching color leg sets. The unique color legs comes in three configurations; fixed height (EG), adjustable height (EA), fixed height for use with casters (EC), and low range adjustable height (EL).

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the tabletop features your choice of a 3/8" bumper t-mold or 4mm t-mold, which is then fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit. Mounted under the work surface is a 14 gauge steel 'X' shaped stiffener for reinforcement.

LEG STYLE 14 15

1. EG - Fixed-Height 30"
2. EC - Fixed-Height 27" (use w/ 3" casters = 30"H).
3. EA - Adjustable Height 19" - 33" (with glides)
4. EL - Low Range Adjustable Height 11" - 17" (with glides)

The Elemental leg sets are constructed of 14-gauge steel with a durable powdercoat paint finish in one of five colors. The legs are reinforced by a gusseted, 'spade' shaped, mounting plate. Each one of the 6 legs attach to the pre-drilled holes in the top with 10 #10 x 5/8" screws per leg. Legs come standard with a nylon base glide.

OPTIONAL CASTERS

Optional dual-wheel 3" casters available, ordered separately as their own line item. Engage Trapezoid Table uses 4-pack, model 17576 (for black) and 17677 (for color).
