

# solid steel bookbox

MODEL #: 17016

Arc-8 Student Desk, Model 01351. Shown with optional Steel Bookbox, Model #17016

## OVERVIEW

The Smith System solid steel bookbox is an easy way to add storage space for books, supplies, even laptops, to many student desks. The bookbox is available in a durable black or platinum powder coat paint finish.

All welded 18-gauge steel construction provides sturdy support for books and supplies under the work surface. The solid steel box attaches with 4 screws on the underside of applicable Smith System™ student desks.
