### OVERVIEW

The Interchange Low-Range Leg Inserts are a great addition to many Smith System tables. Great for Early Childhood applications like Interchange Activity Tables.

With adjustability from 18.25" - 22.25" in height, the low-range inserts are extremely versatile. With adjustability down to 18.25" work surface height, the low-range insert will accommodate our 8", 10", 12" and 14" Flavors chairs. Adjust in 1" increments with a single hex screw per leg.

### COMPATIBILITY

- Compatible on any Interchange Series desk or table.
- Popular choice for our 3-2-1 Series Student Desks (#03002 & #03011) as well as our Interchange Activity tables.
