

OVERVIEW

The Interchange Open Front Desk combines the spacious flexibility of our Interchange Student Desks with the convenience of built-in bookboxes. The Interchange Open Front Desk is available in both 3/4" and 1 1/4" thick work surface (see top & edge profiles).

MATERIALS

The work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the work surface features a t-mold edge that is mechanically fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit. 1 1/4" or 3/4" thick top.

The legs have a rugged powdercoat finish that resists wear. The lower leg is constructed of 16-gauge steel and is chrome plated to resist scuffing. The sock style glide caps add protection against scratching floors and provide stability on un-even surfaces with their 1" adjustable leveling glides. Tabletop and legs are supported by one or more 2" x 3" channels with four breakovers for optimum strength.

The bookbox is constructed of 18-gauge formed and welded steel. The box features a convenient, integrated pencil retainer. The legs are simply, but securely fastened to the bookbox via 2 bolts per leg.

22" - 32" height (1 - 1/4" thick work surface)

STANDARD LAMINATE OPTIONS

Want to specify a different laminate?

No problem. If you have 20 or more tops of the same color -60 or -38 there is no upcharge. Have 20 or less? We can quote for you with the Wilsonart code and finish style. We can specify other laminates – call to inquire and get a quote.

SUGGESTED LAMINATE OPTIONS

STANDARD EDGE COLOR OPTIONS

All 20 of the standard laminates are -60 finish, if you need to match a laminate from a previous year, please let us know on your order (example Pewter Mesh 4878-38, our standard is -60).

When the WilsonArt Laminate code includes a "Y", "K", "-12" "-78", "Aeon" etc, these are special laminates with an upcharge, even when it contains -38 or -60.
