Accessories

4 Plug Power Socket

MODEL#: 17107

OVERVIEW

Introducing an edgy solution to desktop power needs that takes you where you want to go, even if it's just from one room to the next. Model #17107 includes four UL listed simplex power outlets. These portable conveniece outlets bring new flexibility to desktop power because they don't require a cutout in your work surface.

MATERIALS

The power center's clamps adjust to accomodate a variety of desktop thicknesses from 3/4" thick up to 1 1/2" thickmess. (7/16" to 1 1/2" thickness).

The power unit includes a 15A circuit breaker with a 15ft power cord.
