carton	21"	28"	7"			

*for fixed-height 29.5"h leg set see model #: 01601.

OVERVIEW

Shipped ready to assemble, these desks have a heavy-duty work surface that won't sag under heavy books or equipment. The Silhouette Desk is great for rows, pairs, or groupings for collaborative learning.

The WORK SURFACE consists of a 5/8" thick solid plastic top that is molded under high pressure from thermosetting melamine resin. The easy-cleaning solid plastic has a smooth surface which resists scratching, gouging and staining and is non-burning. Meets California firecode CAL TB 133. This versatile Silhouette Student Desk allows for a variety of arrangements in the classroom.

The FRAME is attached to the pre-drilled holes in the top with (6) #10 screws through a 1" x 1.75" 14 gauge steel channel. The mounting channel is welded to a 1" x 2" rectangular 16-gauge steel tube leg. The leg inserts are 1" x 1.75" 16-gauge steel tube and are fixed in height at 29.5".

The legs are tied together for added strength with a 1" x 2" 14-gauge steel tube stretcher bar and (4) bolts. Legs have 3" dual-wheel casters standard. The optional Book Box is attached to the pre drilled holes in the top with (6) #10 screws. This book box is an all welded 22-gauge steel construction that has a curled hem on the front opening, powdercoat Black paint finish, Platinum special order.

*Book Box not included, sold separately.
