

solid steel bookbox

MODEL #: 17190

20-GAUGE SOLID STEEL BOOKBOX

Silhouette Desk, Model 01650.
Shown with optional Steel Bookbox, Model 17190.

OVERVIEW

The Smith System solid steel bookbox is an easy way to add storage space for books, supplies, even laptops, to many student desks. The bookbox is available in a durable black or platinum powder coat paint finish.

All welded 20-gauge steel construction provides sturdy support for books and supplies under the work surface. The solid steel box attaches with 4 screws on the underside of applicable Smith System™ student desks.
