OVERVIEW

Box / Box / File drawer. Key gang lock. Mobile pedestal is easy to maneuver. Doubles as projector stand and can hold table top lectern for student use.

MATERIALS

The body of the cabinet is all welded 20-gauge steel construction. Includes four-wheel rail system for each drawer. File Drawers have integrated rails for standard hanging file folders. Drawers are secured using a gang locking system.

Each mobile pedestal comes with both adjustable glides as well as casters with brakes. Also a 5th wheel is included to prevent the drawer from tilting when fully extended when using the caster option. Each unit comes with a long-lasting and durable powder coat finish.
