Interchange Engage Multimedia Table, Model #04163 shown with Model #77158 High-Range Inserts.

OVERVIEW

The Interchange High-Range Leg Inserts are a great addition to many Smith System tables. Use with our Interchange Multimedia Tables and pair with Flavors or Plato Fixed-Height Stools for distance learning applications.

With adjustability from 30" - 42" in height, the high-range inserts are extremely versatile. Adjust in 1" increments with a single hex screw per leg.
