Planner Studio 48" Deep Tables w/casters

MODEL#: 25236H, 25238H, 25240H, 25242H, 25244H, 25246H, 25248H, 25250H, 25252H

Model # Shown: 25238

OVERVIEW

Planner Studio is ideal for all kinds of classroom activities. The heavy duty construction contributes to a sturdy work surface that can hold 400 pounds. The Planner Studio table is shipped ready to assemble.

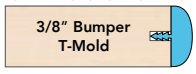

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features a 3mm flat self edge.

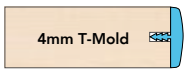

The frame consists of two fully welded leg segments and a center support channel. The legs are attached to the pre-drilled holes in the top with #10 x 5/8" wood screws through a 14-gauge steel mounting plate. The mounting plate is welded to (2) 60mm x 60mm 14-gauge steel square tube legs which are welded to a 1" x 2" 14-gauge steel tube cross bar. The center support channel is 2" x 3" 14-gauge steel, with 14-gauge steel end plates for maximum stability. The center support channel is connected to the legs by (4) connector bolts. 4" casters are standard.
