Planner® Studio

Planner Studio Double Benches

MODEL#: 25272H, 25272BUTCHER, 25273H, 25273BUTCHER

Model # Shown: 25273

OVERVIEW

Planner Studio is ideal for all kinds of classroom activities. The heavy duty construction contributes to a sturdy work surface that can hold 400 pounds. The Planner Studio table is shipped ready to assemble.

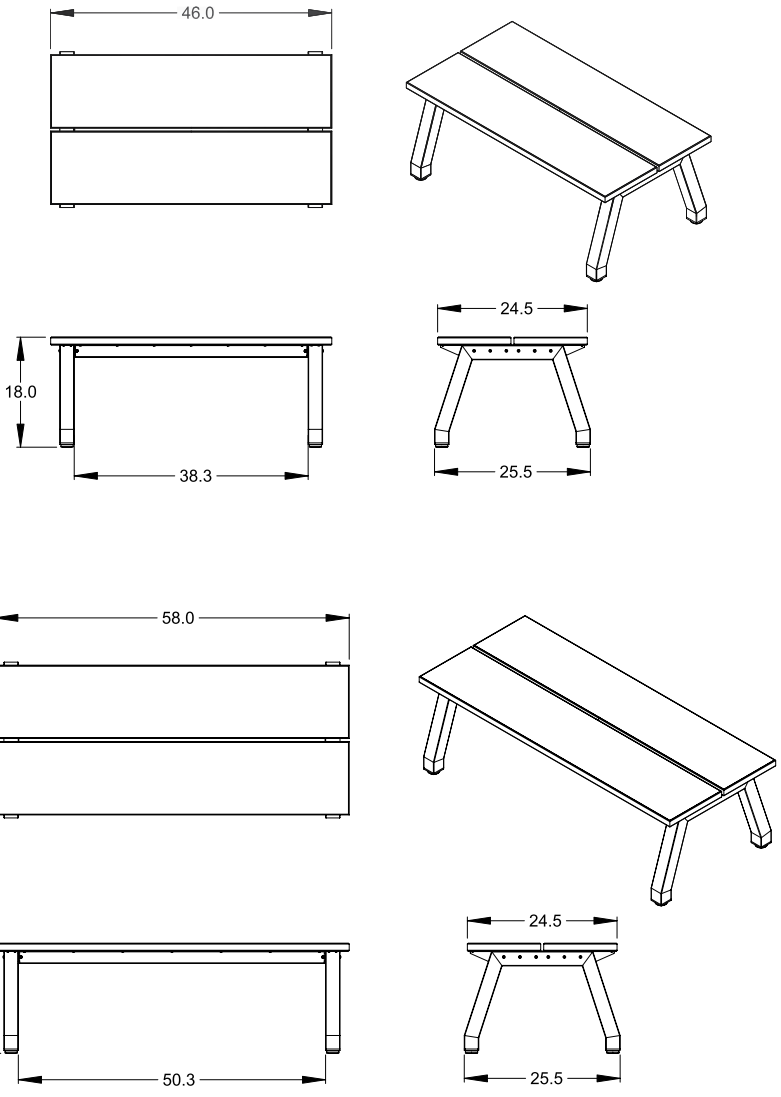

MATERIALS

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features a 3mm flat self edge.

The frame consists of two fully welded leg segments and a center support channel. The legs are attached to the pre-drilled holes in the top with #10 x 5/8" wood screws through a 14-gauge steel mounting plate. The mounting plate is welded to (2) 60mm x 60mm 14-gauge steel square tube legs which are welded to a 1" x 2" 14-gauge steel tube cross bar. The center support channel is 2" x 3" 14-gauge steel, with 14-gauge steel end plates for maximum stability. The center support channel is connected to the legs by (4) connector bolts. Comes standard with glides.

DIMENSIONS

Model	Description	D"	W"	H"	WT
24.5" Deep Models					
25272H	25.5x46 Double Bench	25.5	46	18	83

WHITEBOARD

All 20 of the standard laminates are -60 finish, if you need to match a laminate from a previous year, please let us know on your order (example Pewter Mesh 4878-38, our standard is -60).

When the WilsonArt Laminate code includes a "Y", "K", "-12" "-78","Aeon" etc, these are special laminates with an upcharge, even when it contains -38 or -60.

- Whiteboard laminate, upcharge applies
- 3mm edge finished in Gray [North Sea] on Whiteboard tops.
