OVERVIEW
Comfortable seating helps students keep proper posture and provides support for back and legs. Includes flat seat pan with waterfall front edge. The chair shell comes in 13 colors and frame in Chrome or Platinum.
(View Height Guide)

MATERIALS
The shell is 100% virgin polypropylene material with a shallow seat pan allowing three-position seating for infinite seating styles. The back supplies rigid support while being specifically designed with added flexibility that adapts to individual requirements and supplies long lasting comfort. The shell includes an integrated handle molded in for easy movement of the chair.

The frame is constructed of strong 0.875" x 14-gauge tubing that is either chrome plated or powder painted for long lasting, durable finish. The shell is attached to 16-gauge mounting plate via a metal to metal steel riveted connection.
