

TheoremTM Stack Chair

18" seat height (a-shell) w/ arms

MODEL #: 44819

#44819

#44819U - SEAT PAD

OVERVIEW

Comfortable seat helps the user keep proper posture and provides support for back and legs. Flat seat pan with waterfall front edge. Chair shell comes in 10 colors and frame in Platinum only.

MATERIALS

The SHELL is a Nylon Plastic material with a shallow seat pan. The back supplies rigid support while being specifically designed with added flexibility that adapts to individual requirements and supplies

The FRAME is constructed of strong 0.875" x 14-gauge tubing that is powder painted for long lasting, durable finish. The shell is attached to 14-gauge mounting plate.

The SEAT PAD is a molded seat foam made with heavy duty polyester fabric and a curved plywood substrate. Available as an add-on option for all Theorem chairs.

DURABILITY

100,000 rubs using the ASTM D4966:2010(2016) Option 1 - Martindale Test
