Flowform® Seating
Flowform Bean Bench - Large
MODEL#: 55003

OVERVIEW

Flowform Soft Seating from Smith System helps create unique collaborative interaction spaces for kids of all ages. Flowform soft seating available in 4 shapes, with 2 divider wall sizes to create barriers - when space is needed.

MATERIALS

The frame is constructed of durable .75" birch plywood veneers. The structure is constructed of plywood frame which is made from Sustainable Forestry Initiative (SFI) certified responsible wood sources. The seating pad is made from high density foam meeting CAL 117 standards and contains no added flame retardant chemicals. Comes with reversible nylon & felt glides. Polyester fiber upholstery batting minimizes telegraphing of the framework through the vinyl exterior. The seating pad is made from high density foam meeting CAL 117 standards and contains no added flame retardant chemicals.

The fabric is Designtex 100% vinyl, phthalate free, with a Polyester backing. Highly durable with a 1,000,000 Wyzenbeek double rub (CD) rating. The fabric is easily cleanable with a 10:1 Water:Bleach mixture.

WEIGHT CAPACITY: 3 users up to 250 lbs each
