Flowform® Tables

Flowform Round Triangle Table

MODEL#: 56001E, 56002E

Model # Shown: 56001E

OVERVIEW

The Flowform Round Triangle Table features rounded corners in a triangle shape. Pair with our Flowform Soft Seating and Storage to create individual zones for student engagement and learning.

MATERIALS

The 3/4" thick work surface consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. Rounded edges blend and form into our Flowform storage units for a cohesive space.

The legs are bolted to the underside of the tabletop as well as the secondary surface for added structural rigidity. Legs are angled triangle tubing that adjust from 26" - 40" height in 1" increments.

WEIGHT CAPACITY: 400 lbs
