Flowform® Mobile Storage

Flowform Curved Storage with Totes & Shelves

MODEL#: 57BAAC18000, 57BBAC18000

Model # Shown: 57BBAC18000

OVERVIEW

Flowform Mobile Storage offers a new approach to organization in the classroom. The units are equipped with either totes or shelves and can be adjusted and configured in a variety of ways.

MATERIALS

The end panels are a 16-gauge steel interior shell, wrapped in a cushioned vinyl exterior. The tubular steel sub-frame is constructed of 14-gauge steel, which supplies the unit solid construction. The end panels are capped off with a plastic handle that is color matched to the vinyl of your choosing.

The unit's horizontal top surface is a 1.25" thick while the vertical surfaces are 0.75" thick -- both consisting of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The tote size is 3" standard width.

DESIGNTEX

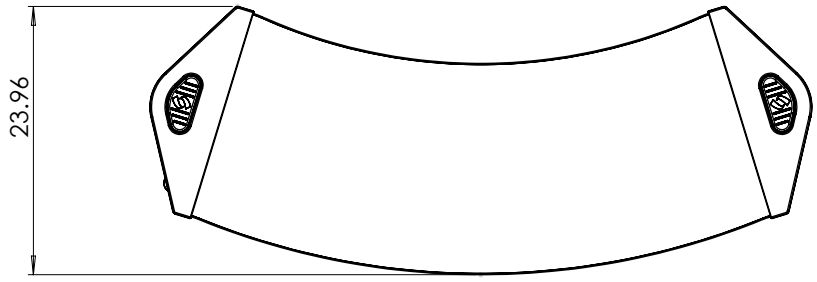

PATTERN	Alphabet
CONTENT	100% Vinyl
BACKING	Polyester, Knit
FLAME RESISTANCE	CA Bulletin 117-2013
DURABILITY	1,000,000 D. R.
