

Flowform®

offset rectangle table

MODEL #: 56009E + 56010E

#56009E - GLIDES
(nylon or felt tips)

#56010E - CASTERS
2" lockable casters

OVERVIEW

The Flowform® Offset Rectangle table features rounded corners in a offset rectangle shape. Pair with our Flowform® Soft Seating and Storage to create individual zones for student engagement and learning.

MATERIALS

The 3/4" thick WORK SURFACE consists of a 45 lb density particle board core with a .030" high pressure laminated surface and a .020" melamine backer sheet. The edge of the work surface features an ABS plastic 3mm flat self edge which matches the work surface laminate. Rounded edges blend and form into our Flowform® storage units for a cohesive space.

The FRAME consists of a welded box frame, secured to the underside for added structural rigidity. The legs are bolted to the underside of the table top as well as the box frame. Legs are angled triangle tubing that adjust from 26" - 40" height in 1" increments.

WEIGHT CAPACITY: 400 lbs
