

Theorem™ Dolly

for Wire Rod Frame Chair

MODEL #: 44920

#44920

Dolly with Model 44820

OVERVIEW

The Theorem dolly has chair brackets with guide rails on both sides and a handle that is included at no extra charge. The swivel casters with lock allow for easy transportation of up to 20 wire rod frame Theorem chairs.

MATERIALS

The BASE, BRACKETS, HANDLE, and HARDWARE are all constructed of steel.

The CASTERS are a steel & polypropylene combination.

Capacity: 20 Chairs
