

Smith System®

Silhouette® Sit+Stand

Create a Flexible Learning Environment.

Put students in control.

The Silhouette Sit + Stand gives students the flexibility to choose their preferred position: sitting or standing.

Collaborative Learning.

You want to set the stage for productive social-emotional connections, face-to-face interactions and problem solving. Sit + Stand Student Desks provide functionality, mobility and choice of height to collaborative learning classrooms.

Styled to match.

The Silhouette Sit + Stand are styled to match the current line of Silhouette tables and desks. This mobile desk comes with lockable casters and angled legs to allow feet placement underneath the desk.
