

**OVERVIEW**

Elemental tables have optional color casters and matching color leg sets. The unique color legs comes in three configurations; fixed height (EG), adjustable height (EA), fixed height for use with casters (EC), and low range adjustable height (EL).

**MATERIALS**

The 1 1/4" thick work surface consists of a 45 lb density particle board core with a 0.030" high pressure laminated surface and a 0.020" melamine backer sheet. The edge of the tabletop features your choice of a 3/8" bumper t-mold or 4mm t-mold, which is then fastened to the underside of the work surface every 6 to 8 inches to assure a long lasting fit. An 11 gauge steel stiffener is mounted under all table tops over 48" in width.
