

Elemental® Bookbox

Steel Bookbox

MODEL#: 17191

Model ELPETL. Shown with optional Steel Bookbox

OVERVIEW

The Smith System® solid steel bookbox is an easy way to add storage space for books, supplies, even laptops, to many student desks. The bookbox is available in a durable black or platinum powder coat paint finish.

MATERIALS

All welded 18-gauge steel construction provides sturdy support for books and supplies under the work surface. The solid steel box attaches with 6 screws on the underside of applicable Smith System® student desks.
