

Model ELHUDL Shown with Optional Steel Bookbox

OVERVIEW

The Smith System solid steel bookbox is an easy way to add storage space for books, supplies, even laptops, to many student desks. The bookbox is available in a durable platinum powder coat paint finish.

MATERIALS

All welded 18-gauge steel construction provides sturdy support for books and supplies under the work surface. The solid steel box attaches with 6 screws on the underside of applicable Smith System student desks.
