

Groove®

24" and 30" Backless Stool

MODEL#: 33789, 33791

OVERVIEW

The Groove® Backless Stool provides a comfortable and dynamic seating option in classrooms, makerspaces and STEM environments. Stool pad comes in 6 seat fabric colors and frame in Chrome or Platinum.

MATERIALS

FRAME consists of 16ga steel brackets on 14ga x 0.875dia steel tubes. Nylon, Felt, or Steel glides. Powder painted or chrome plated. The Groove® backless stool backpack hook comes standard on both models.

Upholstered seat is on a 3/4" plywood base with 1" cushion. Black fabric is Designtex Gamut. The remaining 5 colors are Designtex Alphabet.
